## **1. CoDeS Barcelona Conference: A highlight!**

**CoDeS final Conference, held in Barcelona from May 21 to May 23<sup>rd</sup>, and followed by a researcher's seminar, gathered a community of more than 100 experts from around the globe. Keynote speakers and participants worked intensely together in order to develop school and community collaboration further. The common spirit of sharing experience has highly been appreciated by everyone. The Barcelona Conference contributed to the ongoing task of brining Sustainable Development into reality.**

**Many thanks for the excellent organisation and the hospitable crew!**

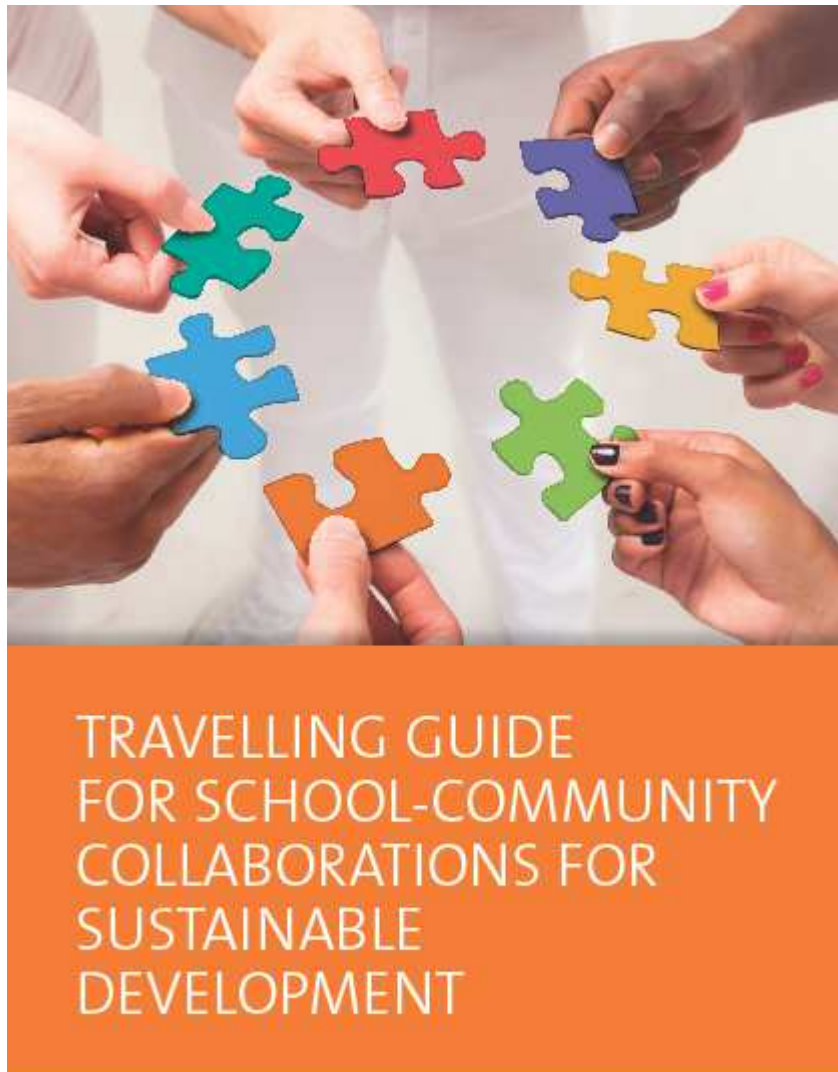

**All proceedings from the Conference, all presentations, keynotes, photos are available for you at CoDeS website, [www.comenius-codes.eu](http://www.comenius-codes.eu)**

**In advance you may share some photos from the Conference here:**
